

MY COOL WORLD

GLOBAL LESSONS AND CRAFTS FOR CURIOUS KIDS

MY COOL WORLD ART CAMP | SUMMER 2021

My Cool World Art Camps are creativity filled “art-ventures” packed with authentic global art projects, fun activities, and more! Art and culture from around the world is introduced to inspire curiosity and appreciation for other cultures. We will explore a wide variety of art materials and art techniques that incorporate drawing, painting, clay, design, and collage while meeting new friends and having an “art-rageously” good time!

Kids have a whole lot of fun learning about their world, and we think this is pretty cool.
